

Anti-Theft System

Australia's most advanced Anti-Theft System and Alarm for caravans and trailers. If movement is detected the alarm sounds and locks the brakes making it impossible to tow. Includes intrusion detection with internal motion sensor and door switch.

Features:

-  Flashes the lights
-  Locks the brakes
-  Sounds an alarm
-  Intrusion detection

GPS Tracker

WiTi Anti-Theft is available with integrated GPS tracking and alerting for the ultimate peace of mind. WiTi GPS provides mobile phone alerts if the alarm is triggered as well as real time tracking in the event of theft.

Features:

-  Alerts direct to smartphone
-  Odometer to track distance travelled
-  Live tracking
-  Fully integrated to WiTi Anti-Theft

“ My insurance company offered me a discount for having a WiTi with GPS tracking installed. ”
